Community Partnership Continues

On November 21st, the AbilitySeer team returned to the Early Morning Centre (EMC) to participate in the Feel Good Feed program, spreading warmth and compassion by preparing and serving a delightful lunch for EMC guests. The initiative reflects AbilitySeer's unwavering commitment to giving back to the community and supporting individuals experiencing homelessness. The menu, carefully crafted to bring comfort and nourishment, was met with smiles and gratitude from the guests, creating an atmosphere of camaraderie and kindness.

A heartfelt thank you to Mehak, Thea, and Renu, whose enthusiasm and dedication shone brightly as they represented AbilitySeer with pride and compassion. Their teamwork and genuine care made the event a resounding success, exemplifying the spirit of community engagement that AbilitySeer holds dear. Together, we continue to make a positive difference, one meal at a time.
